TO THE BOARD OF THE HUDSON RIVER-BLACK RIVER REGULATING DISTRICT:

The undersigned hereby make(s) application for a permit granting access to Great Sacandaga Lake as may be designated by said Board or its authorized representative.

In making this application the undersigned hereby acknowledge(s): that Great Sacandaga Lake is a river-regulating reservoir and that in consequence, its surface elevation varies according to the needs of the system of which it is part. Because its recreational use is secondary and subordinate to its function, the reservoir may sometimes be less than ideal for recreation. Recreational use of the Lake and State land which surround it is welcomed and encouraged **SO LONG AS SUCH USE DOES NOT INTERFERE WITH RESERVOIR OPERATIONS.** Further subject to the provisions of the "Sacandaga Park Bathing Beach Users Program and Policy, a copy of which is attached hereto.

With the above understanding therefore, the undersigned hereby agree(s): to abide by and confirm to *The Rules and Regulations Governing Use by Permit Holders of State-Owned Property at Great Sacandaga Lake*, as adopted by Resolution of the Board of the Hudson River-Black River Regulating District, and to the rules and regulations of any agencies having any control or jurisdiction law not now in force which may hereafter be adopted or enacted, which may be applicable to said permit. That the Rules and Regulation of said Board, and all rules, regulations and laws therein referred to, are hereby constituted as part of this application, the same as if fully set forth herein.

To HOLD HARMLESS the members of the Board of the Hudson River-Black River Regulating District, the District, its officers, and employees again any and all claims, damages or causes of action for damages arising out of the use of such permit; and further agree(s) to indemnify said Board, the District, its officers, and employees for all such suits, orders, or decrees and judgements entered herein, including the cost of defense of all such claims or suits brought on account of injury to person or property or loss of life sustained by the entry, use or occupation of District lands under the permit for the duration thereof and during the period subsequent thereto within the statutory period commencing or filing such claims or suits in any competent jurisdiction.

To pay to the District, as part of the consideration for the processing and granting of said new permit, the charges or fees as set forth in the current schedule at the time of the filing of this application; to pay in full such charges or fees as may be levied for the annual renewal of said permit; and to pay such charges or fees in full.
